MONITORING AND REVIEW

Table with 2 columns: Staff Responsible, Reviewed by, Approved by, Frequency of Review, Date of Last Review, Date of Next Review. Values include Jo Kingston – Deputy Head (Pastoral), SLT, Annually, September 2020, September 2021.

- To support everyone in actions to identify bullying and protect those who have been involved
- To demonstrate to all that the safety and happiness of students is enhanced by dealing positively with bullying

ANTI-BULLYING CULTURE

St Mary's School values the good relationships that are encouraged by the School and embodied in our Behaviour Code, which has been drawn up by the students themselves and the STAGS guidance in the Preparatory School. Every allegation of bullying, including cyber-bullying and bullying outside the school, will be taken seriously. We acknowledge the negative psychological effects that bullying can have on individuals and the learning environment, and that bullying can cause, in extreme cases, suicide. We will strive to create an environment free from fear. Bullying is unacceptable in this school and will not be tolerated. We recognise that to condone bullying may lead to consideration under child protection procedures.

“Bullying is unwanted, aggressive behaviour among school aged children that involves a real or perceived power imbalance. The behaviour is repeated, or has the potential to be repeated, over time. Bullying includes actions such as making threats, spreading rumours, attacking someone physically or verbally, and excluding someone from a group on purpose.” (stopbullying.gov.org)

A more child-friendly definition of bullying might be:

Bullying is when you keep picking on someone because you think you're cooler, smarter, stronger or better than them.

Bullying is handled with understanding and fairness at St. Mary's. We aim to change the attitude of bullies and guide them to more acceptable behaviour. With everyone working together this is possible:

- Bullying is not tolerated at St. Mary's School. It occurs when someone is deliberately hurt or is being upset by others, regularly or over a given time, e.g. aggressive physical behaviour, deliberately excluding someone from a group, threatening or disrespectful behaviour, spreading malicious gossip or rumour, continual teasing
- All cases of bullying must be reported to a member of staff as soon as possible, perhaps through a parent or Senior girl. Incidents will always be investigated.
- Because bullying is unacceptable, any incidents are regarded as a serious matter. Each case is dealt with on an individual basis
- In cases of bullying, the School may work in partnership with parents and, in severe cases, with external agencies such as police/children's social care
- Everyone in the School community is equally important and has the right to feel comfortable, happy and valued. Bullying can be prevented if all members of St Mary's work together and respect each other. This complies with the spirit of the European Convention on Human Rights and with the active promotion of values at the School

The School also recognises that it must take note of bullying perpetrated outside the school which spills over into the school. The school will do what is reasonably practicable to eliminate any such bullying.

Students, staff and parents may be perpetrators or victims of bullying. Bullying can take many forms including but not limited to:

- Physical (e.g. pushing, hitting, kicking, theft of or hiding belongings, invasion of personal space)
- Verbal (name calling, teasing, insulting remarks for example on race, sexual orientation, religion, cultural differences or gender, unkind notes)
- Social or psychological (spreading nasty stories or untrue rumours, exclusion from a group, staring in an intimidating manner)
- Electronic, phone calls, emails, SMS, social networking, blue tooth, videoing, photography, mobile phones
- Inter-relationship bullying between classes/groups

Abuse is abuse and should never be tolerated or passed off as 'banter' or 'part of growing up'. Equally, abuse issues can sometimes be gender specific e.g. girls being sexually touched/assaulted and boys being subject to initiation/hazing type violence (KCSIE, 2019). It is important to consider the forms abuse may take and the subsequent actions required. See appendix three of our Child Protection policy for further details.

SPECIFIC TYPES OF BULLYING

Racist Bullying

This type of bullying is when an individual is targeted for representing a group based on colour, background, culture or religion. This type of bullying can take the following forms:

Name calling, racist jokes, graffiti, offensive mimicry, physical threats/attacks, provocative use of badges, racist literature, inciting others to be racist and refusing to co-operate in lessons or extracurricular activities with others.

We recognise that racist bullying may lead to consideration under child protection procedures.

Students do not necessarily have to be lesbian, gay, bisexual or gender fluid to experience bullying around sexual orientation or gender. This type of bullying can take the form of any of the aforementioned behaviour.

Special Educational Needs and Disability Bullying

This type of bullying can take the form of any of the aforementioned behaviour.

- Never let any incidences of bullying pass by unreported, whether on-site or during an off-site activity

PROCEDURES TO DEAL WITH BULLYING

All reported incidents will be treated seriously and fully investigated; all parties will be heard and given appropriate support.

Senior House

If a member of staff witnesses overt bullying, as defined above, the incident should immediately be reported to the appropriate Head of Section or DSL. A member of staff who is informed of any bullying should report the incident to the appropriate Head of Section or DSL who will then investigate by interviewing all the parties concerned and document the incident. If the incident is of a serious nature or repeated, the Headmistress will be informed immediately. Any incidents

involving members of staff should be reported directly to the Headmistress. Written records of all proceedings should be kept in school files to enable patterns to be identified. All bullying is recorded on a central register. Incidents are kept on the student's central file.

Prep Department

If any member of staff or School helper witnesses overt bullying as defined above, the incident should immediately be reported to the class teacher, who should then inform a senior member of staff. The senior member of staff will speak with the girls involved and take written notes of the incident. If the incident is of a serious nature, the Head of the Prep School will be informed immediately. Any incidents involving members of staff should be reported directly to the Headmistress. A written log of all such incidents is kept by the Deputy Head and the Head of Prep and incidents are kept on the student's file.

WHAT STUDENTS SHOULD DO

If a student witnesses or experiences bullying, the incident should immediately be reported to any member of staff. Girls are encouraged to confide in Form Tutors and Senior Staff in Senior House and Class Teachers, Teaching Assistants or Senior Staff in the Prep Department. Students must keep a record of any bullying via text, email or messaging services. All reported incidents will be treated seriously and fully investigated; all parties will be heard and given appropriate support.

WHAT PARENTS SHOULD DO

If you suspect your daughter is being bullied you should:

- Listen and try to provide an open, non-judgemental environment for your daughter to talk about her problem
- Tell her you understand and give her support. Remind her she has the right to feel safe
- Suggest your daughter speak to a member of staff
- If the problem seems particularly serious, or ongoing, contact the Form Tutor or Head of Section immediately
- Try to avoid an angry or emotional response
- Parents should realise that actions such as contacting the parent of the alleged bully and discussing the matter with other parents can inflame the situation
- Contact the school straight away if the issue continues to be unresolved
- Trust the school to carry through actions that will solve the problem
- Sexting – do not ask to look at the image. If you are shown the image, close the device immediately; do not forward the image onto someone or via email or to another device. You can then contact School or the Police (101) and ask for further advice

BULLYING INCIDENT RESPONSE

When bullying is found to have occurred appropriate action will be taken to:

- Ensure the immediate safety and well-being of those involved
- Provide ongoing support and counselling for those involved

- Inform the individual who has been responsible for the bullying that this behaviour is unacceptable
- Counsel the individual to understand the implications of bullying
- Establish whether further support and/or counselling are required to rectify behaviour
- Advise the individual of the consequences of further bullying
- Discipline the offender
- Inform the parents
- Follow up with the individuals to provide any necessary support

Please see the “Anti-Bullying Procedures” appendix at the end of this document

SANCTIONS

Parents will be invited in to discuss the matter with their child present and appropriate action will be taken. Disciplinary sanctions may include Saturday detention, formal warning and contract of good behaviour, ‘community service’ or suspension, removal of privileges or specific supervision and there may also be a requirement that the bully has specialist counselling. In serious or repeated incidents, a disciplinary hearing will be held which could result in suspension or expulsion.

In all cases, both the victim and the perpetrator will be monitored until such a time as both parties are confident the situation is resolved to the School’s satisfaction.

In all instances, both victim and perpetrator will receive support through the pastoral system; the former to ensure the restoration of self-confidence and in the case of the latter to investigate underlying causes of and ensure a fuller understanding of her behaviour.
