

ST MARY'S SCHOOL, GERRARDS CROSS

Founded 1872 GSA Day School Girls 3-18

Prep Department
Teacher of Science / Science Co-ordinator
(Fulltime)
September 2022

St Mary's School is a very special place to work, a place where staff are valued and supported. St Mary's provides education of the highest quality for every student. This is an ideal opportunity to work with highly motivated students and inspiring and supportive colleagues in the pursuit of excellence. We offer relatively small class sizes and a strong community ethos. We encourage our staff to achieve their ambitions, as we enable our students to achieve theirs.

We are looking to appoint an enthusiastic and inspirational Teacher of Science to join our thriving and successful Prep Department. The post would suit an experienced Primary or Secondary Science teacher who is committed to teaching at the highest standard, raising aspirations and bringing out the potential of our students. The ability to offer a second subject would be an advantage, and the ability to teach up to Key Stage 3, would also be an advantage.

St Mary's is ideally placed for access to both the M25 and M40, with fast train services to London Marylebone.
